47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As medium family living at SF we absolutely support broadband competition to against monopoly big company such as AT&T. AT&T demand for higher price increased annually because I was customer for long period of time. Sonic provides sufficient internet signal and fair rate. I Hope the rate even lower in the future of the broadband competition.
